# CIE 2010 Spring Technology Symposium & Young Professional Conference

## A Half-Day Conference for DFW Professionals

This CIE event is one of the two Technology Symposiums for this year, focusing on the New Waves of Communication. The Fall Symposium will focus on Green Technologies.

The Spring Symposium will also dedicate a block of time for the young professionals seeking career development in science, technology, management and engineering. College and Grad School students are invited to meet with HR professionals from some of the most visible companies.

## Convenient Time, Beautiful Location

**Time:** Saturday, March 20, 11:30 AM – 4:30 PM

**Location:** Plano Municipal Center  
(downtown Plano, north of 15<sup>th</sup> Street, between K and Municipal Avenue)

## Invited Speakers and Panelists

Speakers and panelist are established business leaders and experts in the fields of communication technology and human resources. They include:

- Mr. David Arbuckle, AT&T
- Mr. John Weston, Microsoft Corporation
- Mr. Peter Liu, Lockheed Martin
- Dr. Sridha Rajagopal, Samsung Telecom America
- Ms. Sonya Wolf, Texas Instrument
- Mr. Chris Hoyt, AT&T
- Dr. Bobby Chang, UT Dallas
- Dr. Jung-Chih Chiao, UT Arlington

## Professional Growth, Completely Free!

The Spring Technology Symposium is a completely free public service event provided by the Institute of Chinese Engineers, DFW Chapter (CIE/USA-DFW). All are invited. Light lunch provided before 12:30 PM.

## Register for the Event, Join the Action!

On-line registration is highly recommended for lunch orders. While at the CIE web site, you are invited to become members of this great organization for professional development and community service!

## Seating is limited, reserve yours today!
